

Flyer for the August 2006 WVA picnic

The August 2006 membership meeting of the Wisconsin Vintners Association will be the annual club picnic on Saturday the 19th at Calhoun Park in New Berlin. The club will furnish roasted sweet corn, delicious roast chicken and a quarter barrel of Lakefront beer. You should bring a dish to pass, your eating utensils, wine, and wine glasses. Plastic beer cups will be provided.

Calhoun Park is on Calhoun Road just north of I43. There is no exit at Calhoun from the freeway so I would advise getting off at I43 at Moorland, go north to Beloit Road, then west to Calhoun and south to the park on the left. We will be in the upper pavilion as last year, just up the path from the building that houses the facilities. You can park in either lot. If you need help in getting your picnic supplies to the site, please let us know and we can help.

Festivities will begin about 11:00am and lunch will begin around noon as the corn comes off the grill. Food, fun, sharing your wine with your friends at the club, games – what more could you ask for?

To get an appropriate amount of chicken and corn, we need you to fill out the attached form and send a check made out to WVA for \$5 per member including a free guest.

Your guest can be a spouse or friend – preferably not both. The price for non-members is \$5 each and kids under 12 are free. Please send your money, name and number of attendees to Bill Schneider, S81 W19452 Highland Park Drive, Muskego, WI 53150. Looking forward to seeing all of you at the picnic.

Name _____

Other names of attendees _____

Etc

Attached please find my check for \$ _____ for the above attendees.
