

WVA Winemaker's Bus Trip

Saturday, June 8, 2019

The Wisconsin Vintners June meeting will be a bus trip to three wineries Southwest of Madison. We'll tour the Fisher King Winery in Verona, Bailey's Run Vineyard in New Glarus, and the Botham Vineyard & Winery in Langberry. Bus leaves at 8:15AM and returns at 6:30PM. See map for departure location.

Bring your cup of coffee or bottle of juice (Please, no glass or breakable items) for the morning ride. The club will provide a sweet treat and bottled water.

Since we're on the subject of food – let's talk lunch. As part of the tour, Bailey's run will provide a sandwich buffet for lunch. The club will purchase wine selections to enjoy during lunch.

All Tasting Fees and Lunch are included in the cost of the trip.

As you may remember from past trips, the bus company will allow us to drink our homemade wines in route. So pack a bottle of wine, unbreakable glasses, and an appetizer/finger food to share on the way home. This event is open to Members and up to two Non-Members at an additional cost. Capacity on the bus is 55 people, first come first served.
